Teknobili

Unsurpassed Italian design.

From the galleries of Rome to the catwalks of Milan, Italy has always defined the look of our time. Now Teknobili by Nobili takes forward thinking Italian design to a new level. Embracing the innovative attitude the country is famous for, Teknobili by Nobili delivers its most exciting range of high-end kitchen products yet.

Reece Product Quality Guarantee

Teknobili by Nobili products enjoy a 15 year product replacement warranty. For full warranty details visit www.reece.co.nz/warranties

Rodolfo Dordoni

The co-creator of Likid, Rodolfo Dordoni was born in Milan in 1954 and studied architecture before becoming a formidable figure in the international design industry. In 2005 he set up Studio Dordoni Architetti, which specialises in architecture and interior design.

Gordon Guillaumier

Born in Malta, Gordon Guillaumier studied a Masters in Industrial Design in Milan before setting up his own design studio in 2002. He has collaborated with Rodolpho Dordoni to create the Likid range.

Nilo Gioacchini

The creator of OZ, Nilo Gioacchini is one of Italy's most famous designers. Over a 35 year career, he has collaborated with many of the world's biggest bathroom brands and has many international awards to his name.

Acquerelli

Elegant design.

Blending elegant design with the latest mixer technology, Acquerelli sink mixers will enhance every moment of your time in the kitchen.

2 function

OZ T2

Adventurous styling.

In creating the OZ range, Nilo Gioacchini has succeeded in combining adventurous styling with beautiful ergonomics. The unique angled lever design gives OZ mixers their distinctively individual look while making them blissfully easy to use.

Likid

Conically inspired.

The shared vision of Rodolfo Dordoni and Gordon Guillaumier, Likid represents the collaborative genius of two leading Italian design houses. Unlike anything that has come before, Likid's bold, conically inspired lines are simply breathtaking in their beauty.
