Cistern Access

Choose the right option for your bathroom design.

There are three types of cistern access when installing a Hideaway Plus suite.

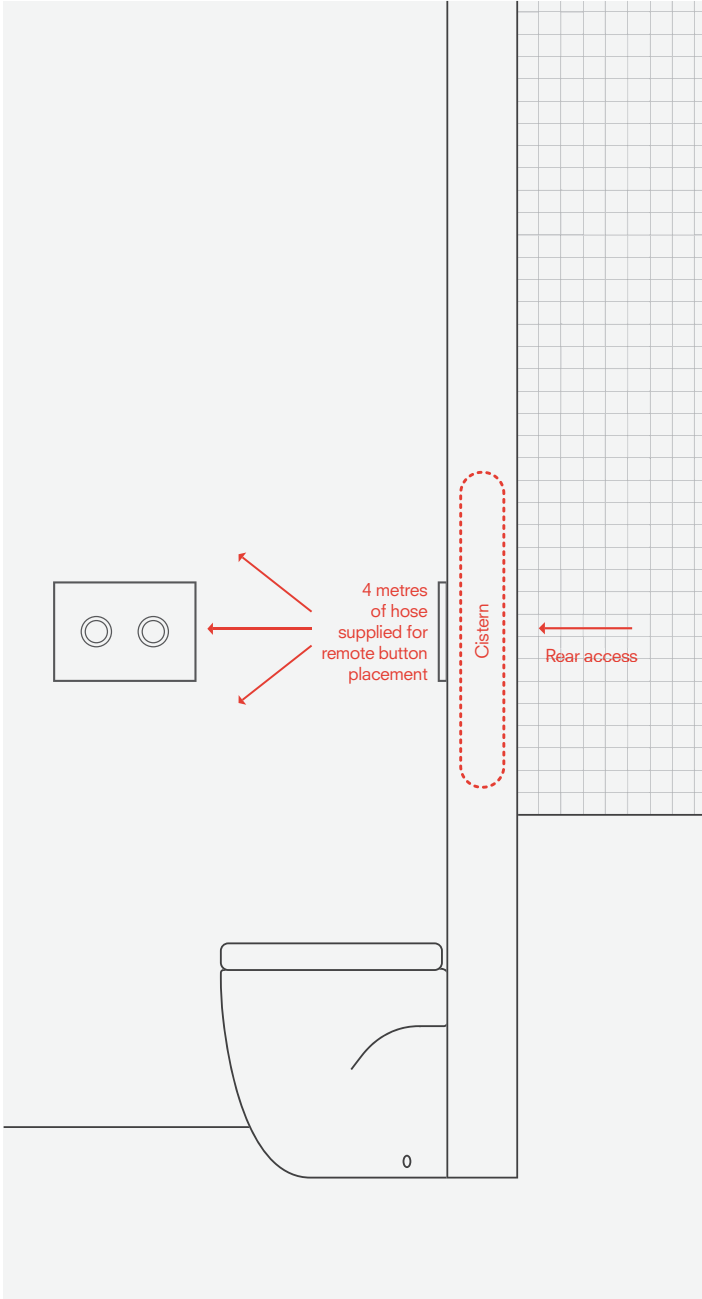

Be sure to understand your access alternatives before selecting your buttons.

01

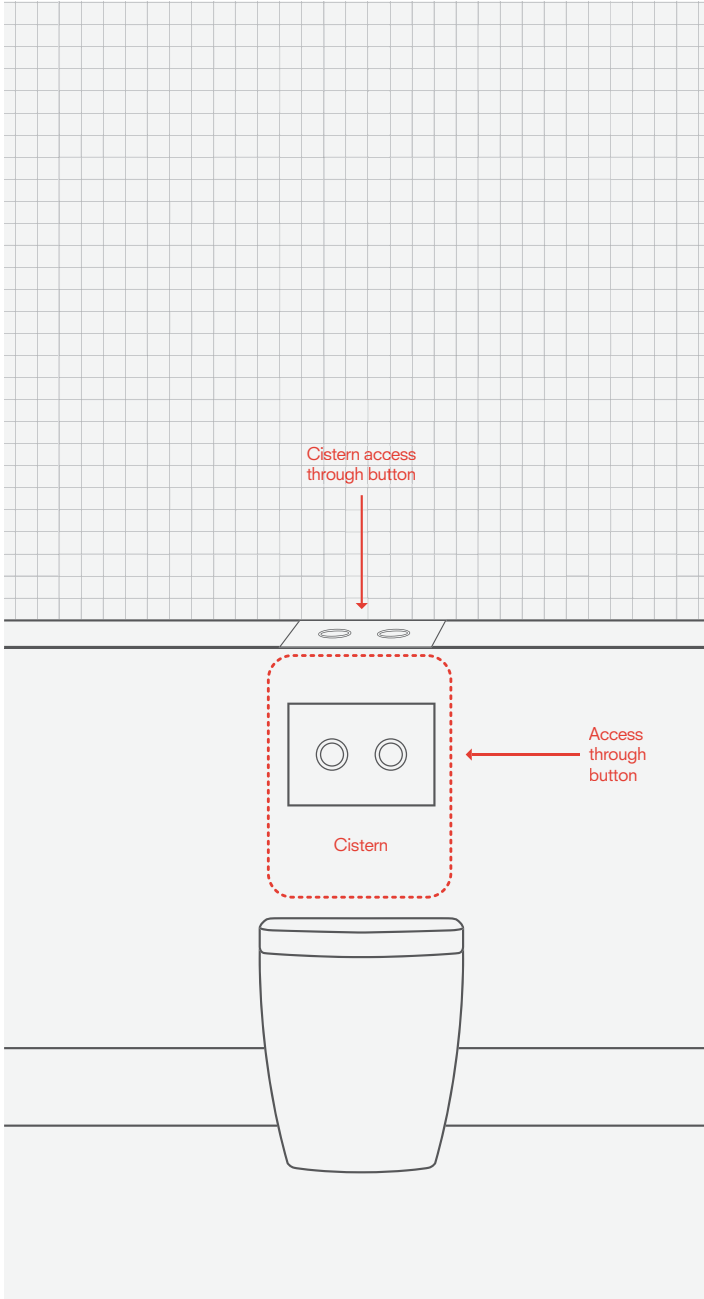

Front Cistern Access

Cistern access is gained directly above the pan behind the button. Button is placed on front of wall.

02
Rear Cistern Access

Cistern access is gained from rear of wall. Cistern must be mounted directly above the pan. 4 metres of hose supplied so buttons can be placed away from the pan providing you with flexible mounting solutions.

03
Under Counter Access

Cistern access is gained directly behind the button. Button can be placed on front or top of half wall, or counter.
